This beautiful and modern penthouse is located in the 'Mar Azul' development, located directly on the frontline of the Mediterranean Sea. If you are searching for a stunning, spacious property with unbeatable views then this is for you! Located at km 16 of La Manga del Mar Menor, Murcia – this is a calm, peaceful and predominantly residential area, with hand full of local restaurants and supermarkets which are open the whole year.

This penthouse is distributed over two floors: it has three bedrooms with built-in wardrobes, three bathrooms, an ample living/dining room with open plan kitchen and access onto a terrace with removable blinds, from where there are spectacular views of the Mediterranean Sea, a large storage room plus under stairs storage, and a fully equipped kitchen.

It is brought to the market completely furnished, including all white goods, air conditioning units and a parking space in the underground communal garage.

The front-line development benefits from its spectacular location (east facing) and from a beautiful communal pool. Getting there is easy as the motorway links la Manga to Cartagena, a bigger historical city with all the necessary services. The closest airport (San Javier - MJV) is found just 53km away.
