Beautiful and well-appointed villa set in a quiet and secure area. The house is nicely built with top qualities over two floors, a ground level and a huge solarium.

Its amazing hall with fireplace welcomes us to this ideal family home which comprises a large living room, two dining rooms (summer and winter), kitchen and a bedroom perfect for the visitors. On the first floor there are 4 bedrooms with bathrooms en suite and under heating floor. A staff en suite bedroom, a store room, a garage for four cars, an office with installed kitchen and a wine cellar are located on the lower ground floor.

Additional features of the villa include a lift, a beautiful garden with private pool and a spacious covered terrace. Benefitting from fabulous coastal views in its elevated position, this property is only five minutes drive from Marbella's city center yet is also in an amazing quiet area.
