Contemporary design villa with beautiful views in Alhaurin de la Torre

Luxury villa with views to the city and the sea located in a very quiet area with top quality materials and energy saving systems.

Would you like to live in a contemporary villa in a very quiet area of ??Alhaurín de la Torre?

This house is distributed over 3 floors.

- The access floor: entrance hall, kitchen-dining room last model with separate laundry and a spacious living room with beautiful panoramic views of the city and the sea and bathroom practically brand new. Through this same floor you access the 3 terraces each with different perspectives in terms of views and environment and the garden area, from which you access the basement, which is very attractive since the house only has interior stairs to access only to the upper floor.

- 1st floor: we find the master bedroom of marriage in suite with bathroom with views, hydromassage bath and shower, all this with qualities of first. This room also has a large dressing room.

We continue with two more bedrooms, with fitted wardrobes. These share a full bathroom.

In this house it is important to highlight the energy saving systems installed, which guarantees great economic savings, as well as the current systems and qualities implanted in it, such as underfloor heating, solar panels, photovoltaic panels, and piped music. .

Take this opportunity to live luxury with beautiful views, perfect to move into immediately.
