Riviera del Sol, Atalayas Riviera Urbanization. Magnificent apartment next to golf course, direct access to the highway and sea views.

The floor has 77 meters inside writing and about 15 meters of terrace.

Modern urbanization, enclosed, recently built, with 4 swimming pools (one of them panoramic), and several common areas. Underground garage and storage room, with direct access to the floor by elevator. Pre-installation of air conditioning. A few minutes from the sea.

It has 2 bedrooms, 2 bathrooms, kitchen, garage and storage room. Southwest orientation.

The urbanization stands out for the polychromy of its gardens at any time of the year, given the good climate in the area, as it is old to say poetic, with repeated fortune, that with the arrival of spring, nature dresses with its best galas, concealing the lean and dry nakedness of winter with bright and copious ornaments.
