Convenient and affordable homes which range in size from 976 ft<sup>2</sup> to nearly 1900 ft<sup>2</sup> and offer a park setting or a golf front address nestled in a small enclave. Besides the charm maybe the most attractive benefit is that just like a condo these free-standing homes are part of the lock it and leave it variety. What this means to you is that all exterior maintenance is covered in the association fee along with common areas. This hassle-free single family home is the perfect vacation and rental unit.
