Villa for sale in Moraira. A two storey super modern, very high quality, detached villa, currently under construction, with four large double bedrooms each with its own en-suite bathroom or shower room. One of these is on the ground floor and the other three on the first floor, all with access to the upper sun terrace. The villa has a level access from a short, quiet cul de sac with the neighbouring villas, already built and occupied. Less than a ten minute drive to Moraira, Benissa and Teulada, the villa is ideally situated; moreover, the spectacular views cannot be compromised as the land in front is well below the villa and is also agricultural land without consent for development. 10 by 4 metre swimming pool surrounded by a very spacious pool terrace. The ground floor comprises a large fully fitted open kitchen with an adjacent dining area and a second sitting area with views across the pool to the view. The main sitting room is a large rectangle with an open staircase to the upper floor. Also, on this floor there is a laundry room, a room with all of the electrical installations etc and a guest cloakroom. Hot and cold air conditioning throughout. The villa is due for completion within three months.
