Luxury Villa in Fanadix, Benissa Costa.

New construction with amazing sea views in Fanadix, an exclusive area, just a few steps away from the beach with Southern orientation.

The property consist of three floors which are connected with a lift. The ground floor has a fully fitted luxury kitchen with an island, open living-dining room with access to the porch and the pool terrace, 2 bedrooms with en-suite bathroom and a guest toilet. The first floor has two double bedrooms, both with bathroom and direct access to the private terrace with stunning panoramic sea views. The basement consists of, engine room, storage room, utility room, bathroom, sauna, gym room, indoor swimming pool and a large meeting room or home cinema room.

Also there is space for a double garage or even two more bedrooms and a bathroom if required. The property also has a modern BBQ /summer kitchen with it`s own terrace, a carport for two vehicles, landscaped gardens at the front part and on one side of the property.

The property will be built and finished with high quality materials and should be finished by the end of 2019 beginning 2020.
