Amazing offer. For sale, this very spacious villa with panoramic mountain views located close to the village of Benidoleig. The property is ideal for anybody looking for a property on a large plot in a very private location but only a couple of minutes drive into the village. The main living area consists of a large covered terrace leading into a hall from which doors lead to a large kitchen and separate utility room. Then a very spacious, open plan living/dining room which is full of character, a bedroom, a bathroom and shower room. There is an internal staircase leading to the upper level of 90m² which consists of a very large bedroom, en-suite bathroom, a lounge and dressing room area. There is also a terrace at this level. The lower level consists of a studio apartment with a small kitchen area and shower room. There are also two double garages, one with a door leading to a games room area of 30m²+/-, now divided by a partition wall. A staircase leads from this area up to the first floor. This bottom level could easily be converted into a large 2 or 3 bedroom apartment. There is no pool but there is ample room to install one. The property has real charm and character with a feeling of openness and space and fantastic views to the mountains and valley combined with total privacy. The location is perfect for anyone wanting to live in the countryside with total privacy, yet still close to local amenities. The largest commercial centre in the area is less than 10 minutes drive, beaches about 15 minutes and the airports of Alicante and Valencia about a one hour drive.
