New build villa with stunning seaview for sale in Benissa. Beautiful villa in construction with panoramic sea views and located in the prestigious Racó de Galeno neighborhood, in Benissa and between Moraira and Calpe. This fabulous 266 sqm big house with open spaces is divided into two floors. On the second floor you will find three bedrooms and 3 bathrooms (2 en-suite) and an open space that can serve as a library. The ground floor features a bedroom with bathroom en suite, a guest toilet, a fully equipped open kitchen, a dining and living room set on two levels. The price includes underfloor heating, the pre-installation of the air conditioning, the outside P.V.C structure, interior oak doors, integrated closets and a fully equipped kitchen, an alarm system and a lift. This house was designed by our architect's team and is an example of what we can offer you. We can offer you an exclusive and fully personalized design which will accommodate your needs. As for its location, we have a big variety of plots, which will allow you to choose the one who adapts best to your wishes. Thanks to our team of qualified professionals, the use of the finest materials on the market and to a perfect execution of the works, we are able to offer you impeccable finishes. Our main objective is to assure the best quality and the meeting of deadlines and estimates for all our projects. We work every day to assure the satisfaction of our customers and this allowed us to grow remarkably and to become a reference in the construction of our region.
